We do not have responsibility with missing file of this book.

Ever since it was built by the great magician Abracadabra, the hotel Tyler Yu lives in has had its share of mysterious events. Ghosts wandering the halls, a magician who vanishes into thin air – Ty can’t figure these things out on his own. But Charlie Hitchcock, with his photographic memory, might just be the partner the school bully needs. Together, they’ll solve magical mysteries beyond your wildest imagination.
